SLEEP TRIAL INFORMATION

100-NIGHT RISK-FREE TRIAL

We believe you should sleep on your mattress to decide if you like it, so we give you up to 100 nights on an eligible mattress to try your new mattress in your own home. If for any reason it's not working out, simply bring it back to a **JYSK** store for a one-time opportunity to exchange it for another that better suits your comfort.

TERMS AND CONDITIONS

The mattress must be returned to the store with proof of purchase within 100 days of possession. The mattress must be free of soiling, stains, pests, tears, rips, excessive odour, or abnormalities. All mattresses qualified under the sleep guarantee must be covered by a waterproof mattress protector purchased at JYSK (mattress protectors are non-refundable for hygienic reasons). The Store Manager reserves the right to inspect the mattress before qualifying it for the 100-night trial, and if the above conditions are not met, void the 100-night trial. The 100-night trial is null and void if the discomfort is caused by incorrect use, soiling, mildew, unauthorized alterations, neglect or improper storage. The purchase price of the qualifying mattresses will be applied towards purchasing another mattress. Any balance owing will be given in the form of store credit. The customer can redeem the 100-night trial one time only for exchange. Any mattress marked AS-IS, Final Sale or Clearance is not eligible for a 100-night trial.

ELIGIBLE MATTRESSES
