

PRICE MATCH GUARANTEE

The price match guarantee applies to all spring mattresses, on any competitor's price in Canada. JYSK will match any advertised price on an identical spring mattress currently advertised in Canada.

Our Price Match Guarantee:

- The Price Match Guarantee is our assurance that you will get the best price on the spring mattress you purchase at a JYSK store in Canada. If you find a lower, currently advertised price from a Canadian spring mattress retailer we will match that price on an identical spring mattress (including the brand, sub brand, coil quality and quantity, thickness, top and upholstery quality and warranty period that may be included with the spring mattress).
- Simply present proof that the spring mattress you wish to buy from JYSK is being advertised at a price lower than JYSK's retail price. A store manager or an assistant manager will need to verify that the spring mattress is in stock and available for immediate sale, at which point JYSK will at that time match the lower price.

Terms and conditions:

- JYSK will match any advertised price on an identical spring mattress (including the brand, sub brand, coil quality and quantity, thickness, top and upholstery quality and warranty period that may be included with the spring mattress) currently advertised in Canada. This offer does not apply to products advertised during Black Friday, Cyber week, boxing week, discontinued, liquidation, close out or clearance products; bonus or free offers; private sales; trade-in sales; special orders, "limited quantity" or "one of a kind offers"; "after rebate pricing"; Coupon, club or wholesale pricing; store credits, gift cards or similar credits; and any competitors' misprinted advertising or out-of province/territory advertising.
- This offer applies to existing in-store stock only and does not apply to previously purchased items. Items sold in "as is" condition including floor models, open stock and scratch and dent items are excluded from this offer. JYSK reserves the right to verify competitor pricing and availability of price match items, limit quantities of price match items, and to revoke this promotion, and change its terms and conditions, without advance notice. Price match must be requested by the consumer from JYSK at the time of purchase or within 24 hours of receipt of the item by the consumer.
